

Our Successes

We believe every child deserves the best education possible. We utilize school-specific solutions to assist teachers, students, and administrators in fulfilling their potential.

The Excellence Group has served over 40% of MS districts in the past three years with 73% of schools served showing an average gain of 37.15 points

Our Federal Programs Insights seminar has reached 33 districts. Over 400 administrators have benefited from our L.E.A.D. seminars and over 150 school counselors have benefited from our C.H.A.M.P.S. seminar.

Our team of leaders and consultants have walked in your shoes and spent their careers in **MISSISSIPPI K-12 PUBLIC SCHOOLS**

Individual districts have individual needs. The Excellence Group offers catered services from district wide to building level. Contact us today for your customized plan.

Who We Are

The Excellence Group, LLC, is an educational consulting organization that focuses on providing support to school districts, school administrators, and educators.

Since 2006, our mission has been to foster educational excellence among Mississippi's K-12 public school children.

The Excellence Group administrative team has combined experience of **over 200 years** in district and school leadership in **MISSISSIPPI K-12 public schools** with many more as **MISSISSIPPI K-12** public school teachers. This puts us in a unique position to understand your needs and provide services to meet them.

*Dr. David Daignault, Superintendent,
 Grenada School District*

"The Excellence Group has assisted our district in improving its academic performance through administrative mentoring, refined assessment procedures, and improved special education articulation. Their services have been an integral part of our improvement efforts and I recommend them for your consideration."

*Ms. Allie Pierce, Teacher
 New Albany School District*

DRIVING TOWARD EXCELLENCE ATTENDEE

"It was a wonderful conference. I learned so much and felt encouraged as we approach the new school year. Lots of thought-provoking discussions that I can't wait to take back to my school to share with other teachers. "

*Ms. Rasheda Barksdale, Principal
 Cleveland School District*

DRIVING TOWARD EXCELLENCE ATTENDEE

"The considerations for what administrators must take into account for the start of the school year, along with the training on SPED process and procedures were insightful and greatly beneficial!"
