

Let ^{the} excellence^{group} _{LLC} help you

LOAD THE BUS

**Let us assist your
transportation department
by:**

- Reviewing district transportation policies to revise or create a district transportation handbook
- Providing mentoring and assistance to implement transportation policies and procedures
- Assisting to ensure compliance with accreditation standard 29
- Assisting with any other training/ technical assistance/ or consultation for the district transportation department or director

**LOAD THE BUS WILL PROVIDE BUS
DRIVER REQUIRED TRAINING**

**LOAD THE BUS is a training
program for bus drivers designed
to assist in developing tools for:**

- Implementing de-escalation strategies when issues occur
- Behavior modifications and positive behavior support
- Relationship building with students
- Communication

Designed to:

- Reduce discipline issues on the bus
- Retain bus drivers
- Contribute to safer student transportation

**This approximately 2.5 hour training can
be delivered to your transportation staff
now!**

**Training will be built around your district's
bus policies and procedures.**
