

ACCREDITATION OVERVIEW

**Do your district
and school
administrators
know and
understand the MS
Accreditation
Standards?**

**These are the
standards that guide
MS school
accreditation
ratings!**

**In addition to
ACCOUNTABILITY
we are all
responsible for
ACCREDITATION!**

**We can assist your school and district
leadership in understanding the MS
accreditation standards and what
documentation is needed to show compliance.**

Contact us today for a proposal that includes:

- Training for your staff on the 32 Accreditation standards
- Set up of an online system in Google to store and share documentation for the standards plus reference documents to assist in determining needed information
- Includes a "cheat sheet" of the standards and possible documentation
- Onsite and online review of school and district documentation to determine areas for improvement
